-  **Industry Package:** 7 courses and 24 hours of CPE, including topics in management advisory services, taxes, and accounting
– **only \$125.00!**

Each package comes in an online download format, so you save the shipping fees and don't have to wait for your course material to get to you. Access your courses immediately! Download anywhere, anytime.

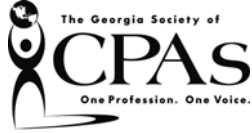

Plus, don't worry about your course material becoming out of date. You may download updates to any of the courses on your package throughout your subscription!

Your purchase of any of these packages gives you:

- A full year's access to all of the courses on your package
- Automatic updates as they happen to all courses on the package
- Convenient online download format for all courses
- Instant grading and certificates for all CPE exams
- Printable reference copies of all final exams
